boho STYLE

Lebhafter Mix aus Mustern, Farben und Materialien

Der Boho-Stil steht für ein unkonventionelles Wohnen in einem gemütlichen, lässigen Look, der gleichzeitig bunt und natürlich ist. Die Boho-Einrichtung lebt hauptsächlich von natürlichen Materialien wie Rattan, Baumwolle und Holz. Die lässige Leichtigkeit der Naturmaterialien wird im Boho Look durch bunte Nuancen unterstrichen. Wer es jedoch schlichter mag, stylt im hellen Boho-Chic. Dabei werden gedeckte Erdtöne verwendet und Eyecatcher in weißen und cremefarbenen Nuancen kombiniert, um die Gemütlichkeit und das Individuelle in diesem Wohnstil in den Vordergrund zu stellen.

Lively mix of patterns, colours and materials

The Boho style stands for unconventional living in a cosy, casual look that is colourful and natural at the same time. Boho furnishings mainly live on natural materials such as rattan, cotton and wood. The casual easiness of natural materials is underlined in the boho look by colourful nuances. However, if you like it simpler, style in light boho chic. Muted earth tones are used and eye-catchers in white and cream nuances are combined to bring the cosiness and individuality of this living style to the fore.

SKANDI — STYLE

Nordisch und gemütlich

„Keep it simple!“ – dieses Motto fasst den nordischen Wohnstil kurz und knapp zusammen. Die reduzierten Formen und klaren Linien des nordischen Einrichtungsstils sind zeitlos sowie ausdrucksstark und schaffen ein cleanes, gemütliches Wohnambiente. Aufgrund der dunklen Wintertage in Skandinavien wurde das Wohlfühlen in den eignen vier Wänden durch den hellen, naturverbundenen Skandi-Style perfektioniert. Die typischen weißen, schwarzen und pastellfarbenen Töne sowie die Kombination von Naturmaterialien, wie helles Holz, Wolle oder Federn, spiegeln die skandinavische Naturliebe wider und schaffen ein harmonisches, beruhigendes Flair.

Nordic and cosy

„Keep it simple!“ - this motto sums up the nordic living style in a nutshell. The reduced forms and clear lines of the Nordic furnish-ing style are timeless and expressive and create a clean, cosy living ambience. Due to the dark winter days in Scandinavia, the feeling of well-being within one's own four walls has been perfected by the bright, nature-loving Skandi style. The typical white, black and pastel shades as well as the combination of natural materials, such as light wood, wool or feathers, reflect the Scandinavian love of nature and create a harmonious, calming flair.

INDUSTRIAL — STYLE

Coolness im Fabrikcharme

Leben im Loft-Flair: Der Industrial Style besticht mit seinem rustikalen, individuellen Fabrikcharme. Kühles Metall, Betonfarben oder Wohndetails wie Rohre und Nieten sind wesentliche Elemente des unfertigen und dennoch coolen Looks. Trotz der Liebe zum Unperfekten und der eleganten Schwere schafft der beliebte Wohntrend eine gemütliche Wohlfühlatmosphäre. Die vielfältigen Lichtideen im angesagten Fabrikdesign tragen einen wichtigen Teil zu diesem Gemütlichkeitsfaktor in den eigenen vier Wänden bei und werden zum Eyecatcher in diesem modernen Loft-Ambiente.

Coolness with factory charm

Living in a loft flair: The Industrial Style captivates with its rustic, individual factory charm. Cool metal, concrete colours or liv-ing details such as pipes and rivets are essential elements of the unfinished yet cool look. Despite the love of the imperfect and the elegant heaviness, the popular living trend creates a cosy feel-good atmosphere. The diverse lighting ideas in the trendy factory design make an important contribution to this cosiness factor within your own four walls and become eye-catchers in this modern loft ambience.

NATURE — STYLE

Wohnlich und wohltuend

Naturmaterialien, wie Holz oder Leinen, üben bekanntlich eine heimische sowie warme Wirkung auf uns aus. Etwa der hölzerne Duft sowie die Erscheinung der natürlichen Rohstoffe wirken beruhigend und vermitteln Entspannung sowie ein gemütliches Ambiente in den eigenen vier Wänden. Die individuelle Maserung von Holz bringt zudem einen einzigartigen Charme in Ihr Zuhause und macht bei Leuchten den Naturtrend mit seinem zeitlosen Material zu einem beliebten sowie nachhaltigen Wohnstil. Die Harmonie zwischen Licht und dem Naturprodukt strahlt Geborgenheit und Ruhe aus – genau das, was sich jeder in seinem Zuhause wünscht.

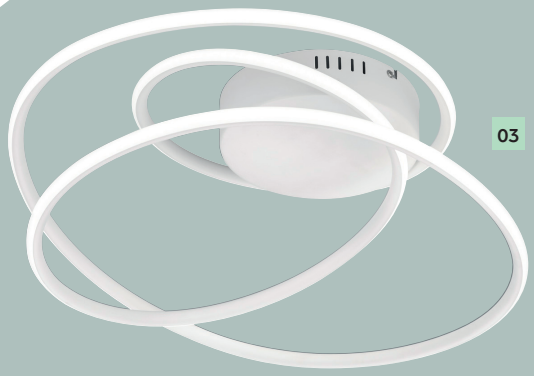

Comfortable and soothing

Natural materials, such as wood or linen, have a familiar and warm effect on us. The wooden scent and the appearance of natural raw materials have a calming effect and convey relaxation and a cosy ambience within your own four walls. The individual grain of wood also brings a unique charm into your home and makes the natural trend with its timeless material a popular as well as sustainable style of living for luminaires. The harmony between light and the natural product radiates security and tranquillity - exactly what everyone wants in their home.
